From the Principal........

School Council Elections

Nominations closed at 4.00 pm last Friday, February 22nd, for both parent and DEECD employee categories of School Council. At that time I had received four nominations for the four parent vacancies and two nominations for the two DEECD vacancies. Therefore the election was declared and a voting process was not required.

Congratulations to the following parents who have been elected to School Council for the next two years:

Adrian Lea
Vanessa Fleming-Baillie
Janet McMurray
Phil Henderson

DEECD Members: Deb Lowther Julie Williams

Thank you once again to the parents and DEECD staff who completed their term of office last month: Lyn Craig, Bridgett Uildriks, Michael Fiddes and Yvonne Hobson.

Building Update

The final component of asbestos was removed from the old building on the weekend. It is hoped that demolition will begin on this week. Last week we saw a great deal of trenching and ground works in preparation for the change over of all infrastructure cabling. Our students are coping very well with all the work happening around them. If you have any questions about the project please do not hesitate to contact me.

Fresh Fruit Friday

Fresh Fruit Friday is back thanks to the Dingley Village Bendigo Bank. For the last three years we have received State Government funding to provide Fresh Fruit and Vegetables for our Prep-2 students every Friday. This funding was withdrawn state wide last year. The Dingley Village Bendigo Bank has decided to fund each of the three Dingley schools for 6 months of Fresh Fruit Friday for the whole school. This is a very generous contribution to the Dingley Community and a positive initiative for the health of our children. Each Friday all students in our school will have access to a tray of fruit or vegetables. Recently Danielle Peacock sent home a request for parent assistance to cut up the fruit and vegetables. Thank you to the parents who have already volunteered their support. Please show your support of the Bendigo Bank by either creating a new account or just dropping in and thanking them.
**Junior School Council**

Congratulations to the following students who were selected by their peers to represent them on Junior School Council this year. The students were named at assembly on Wednesday but will receive their certificates and badges at the next assembly.

**Level 3:** Zara Bakkalis, Clio Antonie, Imogen French, Bianca Davidson, Leolo Paterno, Prajay Paramesh, Mitchell Murphy, Costa Orfanidis, Gloria Fu, Courtney Henderson

**Level 4:** Jason Tran, Chloe Muggleton, Amber Rossborough, Matheaus Argyros, Maddilyn Jimmink, Sofia Sarwari

**Pupil Free Day**

Last Tuesday Fleur Dean, Danielle Peacock and I attended a whole day Professional Development day on spelling based on our new spelling program Words Their Way. It was SENSATIONAL!!!! So much so that I have booked the presenter to work with our whole staff on Monday 25th March— the last Monday of term. This will therefore be a pupil free day for our students. For new parents to the school all DEECD schools have four pupil free days each year which they can use to develop the skills of their staff. This will be our third day. Students will not be required at school on this day. Please note that Kingston Council will operate an Out of School Hours Care Program if enough parents register. They can be contacted on: 9581 4847.

**School Access**

Please note that Gate 1 near the temporary office now has a temporary closure device. This will be closed during school hours but parents can access this gate at any time. Again I need to remind parents that the top gate on Marcus Rd is NOT an access point. It is access for staff cars only. Thank you for your cooperation.

**Active After School Award**

On Wednesday at assembly Lauren Carey and the school received an award and a $500 gift voucher to Hart Sport from the Active After School group in recognition of the wonderful work that Dingley Primary does with this program. As reported before, we were named the best site in Victoria last year. Two new sports are highlighted each term. This term the juniors are doing athletics and the seniors, football.

**Prep Attendance**

From this week our Prep Students will be attending school full time. They have made a fantastic start to school and we look forward to them being here on a Wednesday and attending their first assembly soon.

**For Sale**

Instant Turf for sale, $5 per square metre. Please contact the office if you are interested.

A NOTE FROM THE ASSISTANT PRINCIPAL…..

One of the aspects of my role that I enjoy immensely is supporting our Level 4 Leaders to develop their leadership skills and to complete their role in our school. The Marine Ambassadors are keenly looking forward to Tuesday (March 5th) when we will spend the day with the Dolphin Research Institute learning how to teach their peers and younger children about Marine conservation.

Recently the School Council reviewed and ratified our Anaphylaxis policy and processes. Anaphylaxis is a most serious form of allergic reaction which is potentially life threatening. The most common triggers of food anaphylaxis for students at Dingley Primary school are nuts and eggs. If there is a child who is anaphylaxis in your child’s class a letter will be sent home so you are aware and knowledgeable about how we can support them to be safe. We all need to be aware that children are not to share food.

We are starting Assemblies at 2.45pm this year as we have found we need more time to share the many items of information, awards and performances. The Glee Club have performed brilliantly at the last two Assemblies, with the actions lead confidently by Maddi and Isabelle. There are two more Assemblies this term on the 13th and 27th of March; please come along to join in the fun!

Did you know that current research has shown that if a child has had just 27 minutes less sleep than what their body needs their behaviour and ability to focus deteriorates? The general recommendation is 10-11 hours of sleep each night for primary school aged children and for Prep children, 12 hours is suggested. Getting enough quality sleep may help your child stay on task and positive at school.

Julie Williams
