1. Purpose

To outline to our school community the Department's and Dingley Primary School's policy requirements relating to homework.

2. Scope

This policy applies to students in all year levels and staff responsible for setting and monitoring homework at Dingley Primary School.

3. Definitions

Homework consists of tasks assigned to students by teachers that are meant to be carried out during non-school hours.

4. Rationale

Dingley Primary School has developed this Homework Policy in consultation with the school council to support student learning and wellbeing by:

- 4.1. providing opportunities for students to review, revise and reinforce newly acquired skills
- 4.2. encouraging students to enrich or extend knowledge individually, collectively and imaginatively
- 4.3. fostering good lifelong learning and study habits
- 4.4. supporting learning partnerships with parents/carers.

5. Policy

At Dingley Primary School all homework set by teachers will be:

- purposeful
- curriculum-aligned
- appropriate to students' skill level and age
- designed to help students develop as independent learners
- monitored by the teacher
- where appropriate, provide opportunities for parents/carers to partner in their child's learning.

The types of homework that teachers at Dingley Primary School might include are:

- consolidation exercises for mathematics
- completing science investigation exercises
- making or designing an artwork
- practising SMART spelling words
- practising sports skills
- practising words/phrases learnt in a language other than English
- reading English texts prior to class discussion
- reading for pleasure
- applying new skills to home context such as:
 - planning and cooking food, including following a recipe
 - helping to plan a day trip or holiday, including timings, directions and costs
 - growing plants
 - reviewing their favourite film or book
 - writing a diary entry
- engaging with parents in learning activities such as:
 - rehearsing a presentation with parent/carers, and seeking their feedback
 - interviewing a family member as part of a research project.

All students should engage in home reading:

- Prep students should engage in home reading and related book discussion for up to 10 minutes per night, 5 nights per week.
- Years 1 and 2 students should engage in home reading for up to 15 minutes per night (5 nights per week) and participate in related discussion to explore their comprehension.
- Years 3 – 4 students should engage in home reading for up to 30 minutes across 5 nights per week.
- Years 5 – 6 students should engage in home reading for up to 60 minutes across 5 nights per week.

6. Shared expectations and responsibilities

Homework is a shared responsibility between the school, teachers, students and their parents/carers. In order to get the most out of homework tasks, it is important that everyone understands their obligations and responsibilities.

Responsibilities and expectations for **leaders at Dingley Primary School** are to:

- advise teachers, students and parents/carers of homework expectations at the beginning of the school year and provide them with access to the homework policy.

Responsibilities and expectations for **teachers at Dingley Primary School** are to:

- set homework that is curriculum-aligned and appropriate to the student's skill level and age
- ensure homework tasks are purposeful – this means they are deliberately designed and planned to support student learning (so, they are not 'busy work' or where students 'finish off' work they did/could not complete in class)
- assess homework and provide timely and practical feedback
- ensure the amount of homework set supports a student to engage with a range of recreational, family and cultural activities outside of school hours
- determine whether it is appropriate to set homework on weeks where there are additional demands on student time
- avoid setting homework in the first and last week of each term, during NAPLAN assessments or in a week where a camp or public holiday is scheduled
- offer opportunities for families to engage in their children's learning.

Responsibilities and expectations for **students** are:

- being aware of the school's homework policy
- discussing homework expectations with their parents/carers
- accepting responsibility for the completion of homework tasks within set time frames
- following up on comments made by teachers
- seeking assistance when difficulties arise
- organising their time to manage home obligations, participation in physical activity and sports, recreational and cultural activities and part-time employment (for older students).

Homework Policy

Responsibilities and expectations for **parents/carers** are:

- ensuring there is a balance between the time spent on homework and recreational, family and cultural activities
- talking to teachers about any concerns they have about the homework
- discussing homework with their child in their first language, if English is not the main language spoken at home,
- in dialogue, linking homework to:
 - previous experiences the child and/or parent/carer may have had
 - family culture(s), history(ies) and language(s)
 - relevant services, clubs, associations and community.
- ensuring there is a quiet study area for their child to complete homework.

7. **Support for Students and Parents/Carers**

Dingley Primary School understands that students have different learning strengths, preferences and interests and may approach learning activities and homework differently. If parents/carers are concerned their child may not understand the homework tasks that have been set or is spending a long period of time completing their homework, we encourage parents/carers to speak to their child's teacher.
