

PARENT PAYMENTS 2023

Dear Parents/Carers,

Dingley Primary School is looking forward to another great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian Curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to wider offering of subjects and special curriculum experiences; enhanced digital learning opportunities; additional assistance for children in the classroom and a range of lunchtime activities for all students to access.

Please see attached the Curriculum Contribution details, along with an outline of the school's other contributions. For further information on the Department's Parent Payment Policy please click on the link below:

CURRICULUM CONTRIBUTIONS

Costs of materials including, cooking ingredients, online subscriptions to learning activities and art supplies used in the classroom, expendable materials used for science and technology and all other specialist classes.

OTHER CONTRIBUTIONS - FOR NON-CURRICULUM ITEMS AND ACTIVITIES

Dingley Primary School Council is extremely appreciative of the generosity of parents who are able to support the school through the payment of the tax deductible voluntary levies. Voluntary levies will be specifically used for the relevant area donated to.

We welcome your contributions this year if you wish to make payment, but of course we are happy to wait until next year to accept payment if that suits you better. Payments can be made via Compass. The use of Compass to pay for school-related expenses will ensure each family can track their payments over the course of a school year.

Yours sincerely,

Andrew Holmes
Principal
